A FAIRY TALE WEDDING

Once upon a time... It seemed that Lady Diana and Prince Charles, heir to the throne of England, were reenacting the fairytale of Cinderella and her Prince Charming. But no wedding. even Cinderella's, displayed so much pageantry as the Royal Wedding held July 29th, 1981.

Among the congregation were such prominent figures as First Lady Nancy Reagan, Queen Beatrix of the Netherlands, the King and Queen of Sweden and the Duke and Duchess of Liechtenstein. But they were only a handful of people of the 2.500 in attendance and these were only a handful compared to the 750 million people watching the Royal Wedding on television.

A beautiful two-horse drawn

glass coach, used to convey Lody Diana to her wedding, would have left Cinderella in awe as would the 4½ foot, 224 pound wedding cake served to the guests.

If you are not prone to sea sickness, the honeymoon would be right down your galley. The royal honeymooners took a two week Mediterranean cruise on the royal yacht Britannia, in the care of a 276 men crew. The yacht features a swimming pool, ballroom, chapel, theater and when the couple wanted toget away from it all, they shipped out on one of the other six ships in the miniflotilla. Cinderella herself would think she were living a fairytale.

Like any prince and princess, Prince Charles and Princess DI will live happily ever after.

BUILDING FOI

New buildings sprouted up over the Cincinnati area in 19 and 1982. Two of the most p minent were the Westin Ho and the St. Francis — St. Georg Hospital,

The Westin Hotel opened Mai 19, 1981, and is considered t "most luxurious" and "most e pensive" hotel in Cincinnati. T 17 floor, 460 room hotel co \$40 million to construct and figures it. It has enough carpeting to cover 5 footb fields. It has a 400 car st garage, a 1/2 acre of glass alo in the atrium level window three restaurants, the most u to-date fire system in the cou try and two super-deluxe suite The one suite consists of tv bedrooms and a parior and refor \$650 a night. It's called go: in style. The less expension rooms rent for \$55, \$70, a \$88.

THE FUTURE

Hospital officially opened January 9, 1982, and serves the Western Hills area and parts of Indiana. This 6 floor, 290 room hospital was under construction for three years and cost \$52 million to build, It staffs approximately 280 doctors.

The old St. Francis Hospital was too old to maintain and the old St. George Hospital was too small to serve the community. By merging the two, the hospitals obliviated these problems. Without the support of the community, the much needed hospital would never have been built since city officials weren't eager to give their permission for the construction of a new hospital when hospital beds in Clifton lay vacant. By ultimately giving their permisslon, city officials found their choice to be a wise one. The community was right. It was "a desperately needed hospital."

HARDSHIPS IN POLAND

Again in 1981, workers living under a Communist regime sought to make their lives more self-directed. The Solidarity Union Movement pushed for reforms in the Polish government and for a while was making great strides toward becoming a more democratic society. The Soviet Socialist Republic saw these reforms as a threat to the entire Warsaw Pact because it felt that liberalization in Poland would result in a complete breakdown of a socialist society in their other satelite countries. Thus, the soviets pressured the Polish government to crack down on the Union movement and placed the country under marrial law wherein all freedoms were rescinded.

The Polish people are continuing

resistance in the form of work slow downs and noncooperative dealings with the military government. This has made their struggle for survival harder because the economy of the country has been disrupted in the form of widespread food and fuel shortages.

The people of Poland have a long struggle ahead. If any future reforms allowed by the Pollsh government are perceived by the Soviets to deviate too far from the official Communist Doctrine, the Soviet army stands ready and able to enforce the will of the Soviet Socialist Republic on the Polish government.

TEAM REGAINS WINNING WAYS

The 1981 Football Team posted a fine 6-3-1 record and placed 3rd in the league behind the running of Dave Shutte, Ron Shirley and the leadership of Brent Rembold at quarterback. The defense was also the key. as they allowed only an average of 10 points per game. Oak Hills was represented by Paul Rolfes and Andy Menninger in 1st ream H.C.A.S.L. The Highlanders established two new records - most yards rushing, 1037, and most carries 248, by Ron Shirley.

HOMECOMING

Homecoming 81 was terrific Students part cipated in all the traditional pep week activities. Spirit was evident on Manday with Music Day and the enthusiasm continued with Western Day Hawaiian Day Dork Day and finally Cass Day. On Friday each class did its own thing Sophomores were 50's garb Juniors came in their PJ's and the Sen ors. dressed in Haliaween costumes.

The parade crused through Bridgetown only this year

In the annual float contest only the Juniors and Seniors entered floats and the Juniors emerged victorious

Another attraction of Homecoming was the annual bedraces which were held before this game. The team of Rriss Purkins Dave Koner. Bob Wegman and Glen Metzger won the contest.

The fighting Scots tast the football game by only one Caterain touchdown but the dance the next evening was a smash and a good time was sinjeyed by all

SOCCER TEAM HAS WINNING SEASON

The 1981 Highlander Soccer Team was led this year by three Seniors: Todd Osterbur (All-City, All-League), Ken Beul (All-League, All-City), and Bob Leytze (All-State, All-City, All-League, 1st Team Enquirer). The team posted a 9.4-6 record overall. In tournament action, the Scots lost to Greenhills in the semi-finals at sectionals. For the departing Seniors. who were State runners-up last year, it was a great season, and to all those returning next year, we're all looking forward to another Great season!!!

Girls' Soccer A 1st At Oak Hills

"I enjoyed the season overall," said girls' soccer Coach Meyer. "We were successful, as the record indicates, for a first-year team."

Losing to Greenhills in the District Tournament, 7-0, ended a bright season for the female Highlanders, who finished 11-4 on the season.

It was surprising that they got as far as they did because all the other teams they played had three or four years' experience over the first-year squad. However, experience wasn't lacking; many of the girls have played for local teams.

Bright spots on the team were captains Jolie Neiderhelman, Rani Sampson, Ann Greisser, and Sharon Ketterman. Greisser led the team in offense, scoring 20 goals, while Neiderhelman followed with 16. Ketterman was exceptional at defense and Sampson was responsible for controlling the tempo of the team.

Two Qualify for State

The Boys' Cross Country Team underwent a roller coaster ride during the season, Starting well against state power Fairmont East, five varsity boys set personal best times in the season opener. Immediately, injuries to John Siemon and Tom McCafferty thinned the ranks and the team faltered. As the team struggled to regain mental poise and confidence in themselves, team captains Bob Brackett and Tom Thinnes continued to perform well. Late in the season, the team reached a second high with a victory at Worthington Invitational, However, the boys fell short in the sectionals when new injuries struck Chuck Weghorst. Nevertheless, the two captains, Brackett and Thinnes, ran well enough to qualify for state. "These two really showed grit," said Coach Yung. "It is easy to get discouraged when things are going poorly for the team. These runners overcome that psychological problem. The bus ride from the Districts was hapby occasion."

At State, Tom was a sensational 27th while Bob managed a respectable 43rd.

Girls' CC Best in Cincinnati

The girls' cross country team completed its most successful season ever. The season started with the 500 milers, such as Connie Orlando and Cindy Rodenberg, running on their own in June and July, and climaxed with a trip to the state meet in Columbus on Nov. 7th. In between, the girls were champions of the prestigious Covington Catholic and Sycamore Invitationals and ran up an impressive 95% winning record. For the second straight year, the league title belonged to Ook Hills.

Led by seniors Becky Fairbanks, "Moo" Johnson, Cathy Meese, Beth Nead and Connie Orlando (the team's MVR) the team was ranked number one in Cincinnati and the only Cincy team to make the state finals.

"Our team won an immense depth and team pride," said Coach Yung. "Our 9th and 10th girls (Lisanne Brodbeck and Connie Vaughn) were good enough to be 4th and 5th on most area teams. It was satisfying to see hard work pay off." Not only was hard work evident but the team's "esprit de corps" led to lasting friendships.

Volleyball Sectional Champs Again

The hord hitting Lady Scot 1982 Varsity Valleyball team ran its string of consecutive league championships to 8 with a perfect record of 14-0 in the league. An overall record of 20-4 placed them among the top teams in the area. Strong net play marked this year's edition of the Lady Scots and carried them to 1st place in the district and sectional championships.

The experience and leadership of the senior class carried the team through some tough matches, while the enthusiasm of the younger players kept play fast and aggressive.

This style of play helped place six team members on the All-League Roster — 3 on the All-Star Team and 3 on Honorable Mentions — more than any other school in the league.

Senior awards for two of the players include Marcia Popp signing a Letter-of-Intent with Indiana University and Terri Toon receiving a grant from Georgetown University as a major accomplishment to their Volleyball abilities.

The reserve team was led by Lesli Birkofer, and finished the season with a record of 15-1. The team hosted and won the 2nd Annual Reserve Volleyball Tournament by defeating Hamilton. Colerain and Finneytown.

Girls' Tennis Captures First Again

The 1981 Girls' Tennis Team captured, for the second consecutive year, the HCSAA American Division league title. The team was led by Angel Caneris in the Singles Division, and by Beth Grisemer and Diana Stroyls in the Doubles Division.

The main factor that contributed to their success was the depth of the team with players such as: Robin Moore, Gigi Heilman. Nancy Mendel and Ingrid Heilman.

The girls finished with an overall record of 15-3. Three players qualified for the District Tournament: Caneris, Grisemer, and Stroyls.

Congratulations to team and to the following players who received special recognition: Angel Conerls, Diana Stroyls and Beth Grisemer — League All Star Team, and to the League Coach of the year, Diane Heilmann.

THE WORLD

BENGALMANIA

"Who Dey? Who dey? Who dey think gonna beat dem Bengals?" Every Bengal's fan could be heard chanting this phrase as the days rolled closer to Super Bowl XVI, when the Cincinnati Bengals would match strength, speed and cunning against the San Francisco 49ers.

Both teams were first-timers to the Super Bowl and both were evenly matched; the Bengals brought with them a record of 12-4 and the 49ers a record of 13-3. The 49ers had a 1 to 112 point edge, one of the tightest in years. Most importantly both teams brought two very competent coaches and quarterbacks. Cincinnati placed a great deal of confidence on Coach Forrest Gregg and Quarterback Kenny Anderson, Likewise, Coach Bill Walsh and Quarterback Joe Montana were the cornerstones of San Francisco's team. Both teams brought all they had to the Silverdome in Pontiac, Michigan on January 23.

The first half looked grim for Cincinnati when at halftime the Bengals were scoreless. San Francisco was leading with 20 points.

But the second half revealed a rejuvenated Bengal's team. Although the 49ers scared another 6 points, the Bengals were the victors in the second half. They put 21 points on the board. The final score was 26-21.

The Bengals had lost the Super Bowl, but they were still winners in the hearts of Cincinnations. More than 3 000 fans congregated on Fountain Square to welcome their heroes home and to say. 'We hope to see you again next year at Super Bowl XVIII'

hopes, new expectations, and new commitments, unfortunate ly, new sorrows soon followed. On Januray 20, Air Florida Flight 90 saw its last flight as it hit the 14th Street Bridge in Washington D.C. and plunged into the ical Potomac River. The crash killed 78 people, including four motorists. It was the first major U.S. airline crash in 26 months.

end on this tragic note. For the optimists of the world, the story goes deeper. It goes on to te of four survivors and a hero-simply called 'the man in the water." He was never identified, but his name isn't important. It is what he did that was important. He saved the four sur

vivors at the expense of his own life.

Like the other four passengers, "the man in the water" clung to the plane's tall after it went down. When rescue helicopters came, "the man in the water," described to be in his early 50's, was offered aid four times and all four times he gave it to someone "else. When the rescuers came back the fifth time with the lifeline, it was too late. "the man in the water" could not save himself though he could hand life to a stranger

A happy ending in its own, it is a story of the selflessness of one man who turned tragedy into a story of love and heroism

COMPUTER AGE

The world of 1982 stands on the threshold of a second computer age. The computer of '82 not only calculates, but "thinks," mimicking human thought processes. In previous years, the computer worked on a number system, but it has graduated to the application of "if-then" rules and holding a network of facts used to solve problems. The computers are made to reason, to make judgements and even to learn. They can do anything from diagnose diseases and locate mineral deposits aiding the military in the form of helping plan attacks on enemy air bases or in detecting enemy positions

Five years ago computers were simple toys sold here and there but now they have become primary components in businesses to which millions are

being sold. The computer has become a familiar sight not only around the office, but also at home, made so simple that even the children can use it. The computer will aid in doing the bills or provide a toy on which a child can play hangman.

New companies are springing up all over and they self their computers at an average minimum of \$399 to a maximum of \$10,000. By 4985, there will be approximately 50 million personal computers sold.

The small personal computers of the 80 s will greatly increase access to information, speed calculations and enable the human mind to spend more of its time on theoretical thought and solving the problems of mankind.

The Varsity Basketball team had a very good season with a 22 - 8 record and taking second in the league. The Scots made it to the Quarter Finals of sectionals at Oxford only to lose to Elder. Senior. THE FALKLAND WAR

Most people the 3ht that is was a silly war Argertina vs. Britain Or April 2. Argertina vs. Britain Or Falkland Islands which are situated off the coast of Argertina and 8 000 miles from Britain. The Islands were arginally Argentina but for the past 150 years, they were owned by Britain Further more they were into bited by 1800 Britains who was ted to remain British.

The sequite took place under the orders of Argentine President Enopoldo Galleri Gait eri wanted to be known as the one who fill by recovered the islands for Ariem tina. The irony of the entire affair was that Britain had wanted Argentina to have the islands back. The only problem that Britain encountered was the islander's refusal to shift to Argentine authority. The islanders were British they wanted to remain British and under British rule. But since Argentina decided to move by force Britain felt she had been slapped in the face. The British felt they had to meet the challenge and fight to keep the islands.

OAK HILL

At the end of the '8 \$\frac{1}{6}\$2 school year the future looked uncertainty for students continuing in the Ool Hills' school district. In June of school tax levy was defeated by a vote of 55 percent to 45 percent. The result could be the running out of school funds by the end of December 1982.

The budget may have to be cut to avoid a major disruption in the school year. The most likely to be cut are all pan-academic activities including sports, clubs newspape band and drill team. All da kindergarten classes may be ru on alternate weeks. The 82-8 school year may begin september 20 to eliminate one payroll period. The district may have to drasticall cut back its staff. These budge cuts could total more than \$900,000.

Such a drostic change would affe every school in the Oak Hi district. The defeated 9.91 mi

of a 2 year emergency levy passed in 1980 for 4.36 mills and an additional 5.5 mills to replace funds lost by recent state curbacks. The levy was an all or nothing shot because the 4.36 mills would not continue without the passage of the entire 9.91 mills. So the district is left with the same amount of money it had in 79 80, but must face the inflation of 1982-1983

The district could not operate on these terms so the Oak Hills Board of Education met and decided to place on the ballot a special levy for August 3 for 5.28 mills. It would be a 5 year emergency levy that would generate 2.4 million dollars — enough to keep the district gaing for the next year without drastic cuts. The results of the August 3 levy cannot be predicted. The district can only hold its breath and hope for success the next time around.

1982 WORLD'S FAIR

The city of Knoxville Tennessee has awakened. It is not a sleepy quiet city onymore, but has undergone a major facelift with the coming of the 1982 World's Fair.

Months prior to the Fair's opening in May, the people of Knoxville had been busy dearing our spare rooms to rent for the Foir's visitors Construction Trews busied themselves building new hotels, an convention hall, a shopping center, and a restaurant in the renovated train station. In the meantime road construction workman were laboring repairing a stretch of highway known to the people of Knoxville as Malfunction Junction. The naturalists were lending a hand also as they collaborated on a 6.5 acre park with a 3 acre lake - all for the enjoyment of the U.S. and the 19 other countries which have

a greed to participate.

One hundred million dollars was spent on facilities for the World's Foir The federal government put up \$12.5 million for the new buildings and contributed ariditional money to the highway repair of Malfunction Junction Banks looned the Foir \$30 million and bondholders put up \$11.7 million dollars.

All this money was being put into developing a 72 acre valley, formerly the site of a dilapidated train yard and an industrial slum. In a matter of months the area was transferred from rags to riches.

The 1982 World's Fair with its theme of energy is expected to attract over 11 million visitors and produce hundreds of millions of dollars in revenue for the city during its 6 month run.

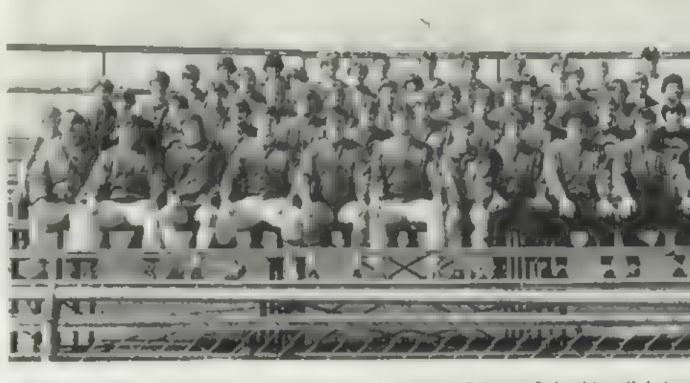

OAK HILLS LEAGUE CHAMPS

The 1982 track team pulled off another winning season. They were the league relay champions for the second year in a row. For the first time in 8 years, Oak Hills was the league champions. The Reserve team also showed future promise by marching the varsity team as league champs. Two varsity members who helped lead the team to championship were Tom Wagner leading the track division, and Greg Baum, heading the field division.

Coach Phil Simms, named Hamilton County American Division Coach of the Year, sald that the team was "highly self-motivated." Several members excelled in their individual areas. Mark Truitt (110 H.H.), Tom Wagner (400 meter tun), and Greg Baum (shor put) were named All-League. Greg Baum was also named All-City and District champ. All members excelled to bring the team to the league championship.

TENNIS TEAM IS RUNNER-UP

Coach Ogden's tennis team played well considering the loss of 5 players who last year made up 60% of the matches. The team finished 2nd In the league to Anderson with a 9 – 5 record. David VonSchoik. Steve Mercer, Steve Foegle and David Holub handled the singles as VonAllmen, Wagner, Rembold and Han took control of the doubles.

SOFTBALL HAS A WINNING SEASON

The Oak Hills girls' softball team overcame many new adjustments to complete a successful season. One such adjustment was the pace. The pace of the game changed from slow pitch to a fast pitch. However, the girls performed well enough to make it to the district semifinals. Unfortunately the team lost in the sectionals.

More than half the team will have gone with the graduating seniors, but Coach Meyer feels the ones remaining and those moving up will provide an excellent season next year.

RHODENBAUGHS SWIM

TO NATIONAL RECORDS

Kim and Mook Rhodenbaugh, a brother-sister combination, supplied the one-two punch in the Oak Hills swim program. The children of Dr. and Mrs. Dillon Rhodenbaugh, Kim and Mook have their sights set on the Olympics and broke State and National records at the State Swim Meet in Canton.

Kim, the sister-half of the Rhodenbaugh combo, is a sophomore at Oak Hills High School and has already set a State record in the 200 yard Individual Medley with a time of 2:05.36. To stay up with her brother, she also broke the National record in the 100 yard Breaststroke with a time of 1:02.50. This record was previously held by Tracy Caulkins and Kim's time excelled Tracy's by nearly 2 seconds.

Mook Rhodenbaugh set a new National and State record in the 100 yard Backstroke with a time of 49.75 beating out the old record of 50.11 held by Joe Bottom of California. He also set a new National and State record in the 200 Individual Medley with a time of 1:48.974 beating the old National record of 1:49.3 held by Chris Cavanaugh also of California. Mook has excelled in the swimming program all three years he has been at Oak Hills High School. As a junior, he set a State and National record in the 100 yard Backstroke at the State Meet with a time of 50.610 and in the 200 Individual Medley, set a State record with a time of 1:52.2. In his sophomore year, he also competed at the State level placing 2nd in the 100 yard Backstroke and had a time of 1:55.3 in the 200 Individual Medley.

Kim and Mook are both good students academically and have set high goals and standards for themseives. They have an "in-house" Olympic champion to help them obtain their Olympic goals in Coach Yoshi Oyakawa, boys' swim coach, who won a gold medal in the 1956 Olympics in the Backstroke in Melbourne, Australia.

Winning is not new in the Rhodenbough family, as Cathy Rhodenbaugh also won a State Championship, and the other two Rhodenbaugh boys either won or participated in State swim meets while representing Oak Hills High School.

In Memory of Bob Brafford

"Let no man fear to die;
we love to sleep all,
And death is but the
sounder sleep."

Francis Beaumont

Upon completion of high school, we have many paths to choose from; some vague and wearisome, others definite and rewarding. Though we may all experience some hardship along the way, if we look within outselves for strength and keep our thoughts on the horizons, we will find the inspiration to head in the right direction.
